▶ Summer Refresher: Withdrawing and using NEST 529 Advisor funds.

A MESSAGE FROM THE NEBRASKA STATE TREASURER

This fall, students across the state will head to college — in some cases, for the first time. Before the school year starts, it's a good idea to review the process of withdrawing NEST 529 Advisor funds. When the time comes to put your well-saved dollars to use, you'll be ready.

▶ REQUEST YOUR WITHDRAWAL

Request a withdrawal through your online account or by completing and submitting the "Withdrawal Request Form" at NEST529Advisor.com/forms.

▶ DECIDE WHERE TO SEND YOUR FUNDS

When submitting a request, you can choose to have NEST 529 Advisor funds paid directly to yourself, your beneficiary, their educational institution, or to the account owner's bank account on file.

▶ PLAN AHEAD FOR MAIL TIME

If a withdrawal involves a physical check, we recommend planning for 7-10 days after a request has been submitted to account for mailing and payment processing time (if sent directly to the school).

THEY HAD A LOT TO SAY ABOUT CHASING DREAMS AND WHY COLLEGE MATTERS. HERE’S JUST A SAMPLE:

“I believe that it is crucial for all kids to have the same wonderful opportunity to learn early on in life as I did.”

Emry

“The importance of learning is that we may be able to progress throughout our lives without wondering about something. If we do not wonder, then we don’t learn.”

Kyron

“College is like a bridge crossing a river... if I cross the water, I can have the future I imagine.”

McKenna
