4. Signature and Authorization

As the NEST Advisor Account Owner or NEST Advisor Beneficiary/Roth IRA Owner I hereby authorize and direct the Roth IRA Rollover indicated above and certify that I understand the rules, requirements, and limitations governing rollovers from NEST Advisor to a Roth IRA, including:

- The NEST Advisor 529 Account must have been maintained for the 15-year period ending on the date of the Roth IRA Rollover.
- The amount of the Roth IRA Rollover may not exceed the aggregate amount contributed to the NEST Advisor Account (and earnings attributable thereto) before the 5-year period ending on the date of the IRA Rollover.
- The Roth IRA Rollover must be made in a direct trustee-to-trustee transfer to a Roth IRA maintained for the benefit of the Beneficiary of the NEST Advisor Account.
- Each year, the 529-to-Roth IRA Rollover will be subject to annual IRA contribution limits, minus all other IRA contributions made during the year for the same designated beneficiary (for 2024 the limit is \$7,000). All contributions made during the year to individual retirement accounts for the Beneficiary count towards this limit.
- The aggregate amount for all years of Roth IRA Rollovers for the same Beneficiary from all 529 qualified tuition programs may not exceed \$35,000.
- The IRS may issue guidance that may impact a rollover from a NEST Advisor 529 Account to a Roth IRA. Additional restrictions may apply under federal Roth IRA rules and guidance. Please consult a financial professional or tax advisor regarding the applicability of these rollovers to your personal situation.
- The Beneficiary listed in Section 1 of this Form will be issued IRS Form 1099-Q and will be responsible for any reporting of rollovers on their income tax returns for the year of the rollover and for paying any related taxes or penalties.
- I understand that it is my responsibility to ensure that these assets qualify to be rolled over to a Roth IRA, including the requirements that:
 1. The Account must have been maintained for at least 15 years;
 2. Only contributions (and any earnings attributable thereto) made more than five years prior can be rolled over;
 3. The amount eligible for rollover cannot exceed the IRA contribution limit for that tax year (\$7,000 for 2024);
 4. There is an aggregate lifetime limit for 529-to-Roth IRA Rollovers of \$35,000 per Beneficiary.
- Rejected rollovers will be reinvested in the NEST Advisor 529 Account.

I certify that all the information contained herein is true and correct.

I acknowledge that the rollover of funds may have special tax and other consequences and that neither the Trustee, the Program Manager, the Trust, nor the Nebraska Investment Council will be responsible for the tax and other consequences of any such rollover.
